

ART FOR ART'S SAKE

Silent Art Auction

Charity Event benefiting the Music, Art and Drama Programs of

Virginia Beach Friends School

Saturday, October 8th 2011 (6 - 9pm)
First Colonial Inn in Virginia Beach

Dear Artist,

Thank you for your generous gift of time and talent as you support the arts programs at Virginia Beach Friends School. As an artist, I'm sure you'll agree with me that the value of integrating the arts into a student's daily education is immeasurable. In addition to providing opportunities for self-expression and creativity, countless studies have shown the links between the arts and enhanced student academic performance.

Please fill out the attached form so we can include your professional information on our website. When you send your art, please include your bio and business cards so they will be featured alongside your artwork at the event.

Feel free to contact me if you have any questions.

Again, on behalf of the students and everyone at Virginia Beach Friends School, thank you for your kindness.

Best wishes,

Megan
